PUREBRED DIVISION

When Dr. Martinez saw him in Spain, it was love at first sight and he decided then and there that he must bring this stallion home with him. Take this opportunity to breed to Farruco, the only Qualified Bocado Stallion standing in the USA. He is quiet but athletic, and has been passing on his stunning good looks and gentle temperament to his foals. As a testament to his good nature, he has also been shown by amateurs. At Feria Del Caballo, Farruco received exceptional morphology (highest of show) and functionality scores.

2009 was a banner year for this stallion, having acquired the following accolades:

Fiesta of the Spanish Horse 2009: Supreme Champion Stallion, Champion Sr. Stallion, Champion Amateur to Handle Stallion, Gold Medal Best Movement

IALHA Region One Championship Show 2009: Champion Region One Stallion, Champion Amateur to Handle Stallion, Gold Medal Best Movement Award

Feria del Caballo 2009 (ANCCE): Champion Stallion & Absolute Champion of entire show- stallions and mares

He also achieved the honor of becoming an ANCCE Qualified / Calificado Stallion

Farruco not only has a rich history in his past, but a very bright future ahead....
