ADDITIONAL INFORMATION:

PUREBRED DIVISION

Brioso comes by his looks, attitude and outstanding conformation honestly. His pedigree reads as a who's who of the Andalusian breed. Brioso's sire, the outstanding Escamillo, is one of the most charismatic horses in this country. He has an extensive show record (IALHA Grand National Champion Colt and Best Movement) and has also been proven as a breeding stallion. Escamillo is sire to over half a dozen Grand National Champion halter horses. The Dam of Brioso is the unforgettable Sonaja, possibly one of the most nationally decorated mares to date. During her short show career, she captured the IALHA Grand National Champion Junior and Senior Mare titles. She is also one of only three mares ever to be named National Champion Best Movement horse.

Undefeated in IALHA Futurity competition, and the only horse in the history of the breed in the United States to capture the "Triple Crown". Brioso has won the Grand National Champion Colt, Junior Stallion and Senior Stallion title. He certainly has left his mark in the record books. As he now starts his breeding career, keep in mind: A serious horse for the Serious breeder, Brioso MA.
