PUREBRED DIVISION

Junior, as he is fondly called by those who have been around Distinguido, earned his nickname from birth. At 1 week old, he was a carbon copy of his sire, the incomparable Ocioso VIII. Mario's plans were to retain Distinguido as his sire's replacement in the breeding program, but some keen negotiating landed "Junior", into the breeding program of Dr. Ariel Martinez.

In 2007, Distinguido was named the Grand National Champion Colt at the IALHA National show. He returned in 2009 and was again victorious, being named the Grand National Champion Junior Stallion. Because of show and training commitments, Distinguido's breeding career was put on hold until this year, 2010.

Here is your chance to utilize proven bloodlines, outstanding conformation and that look at me attitude in your breeding program. With a past as solid as this.... the future looks really good! Take this opportunity to capitalize on a great introductory fee to an outstanding young stallion. Don't miss out on this one....
