PUREBRED DIVISION

Escamillo (2001 Grand National Champion Colt & 2006 National Champion Best Movement) is fast becoming one of the very top breeding stallions available today. He is stamping his offspring with both his good looks and incredible movement.

Sired by the incomparable Ocioso VIII, and out the great mare Habana VIII, Escamillo comes by his production capabilities very honestly. The highlight of his breeding career came this past 2009, when his son, Brioso MA, was named National Grand Champion Senior Stallion, winning the triple crown, having won as a 2 year old and Jr. Stallion as well. Some of his other offspring have done very well in the show arena as well:

Briosa MA : 2005 Grand National Champion Filly (2 & Under), **Bravera MA**: 2005 Reserve Grand National Champion Filly (2 & Under), **Mystique's Lindeza**: 2006 National Champion Futurity Filly, **Escandelosa** : 2008 Grand National Champion ½ Andalusian Mare, National Champion ½ Andalusian Best Movement, Reserve National Champion ATH ½ Andalusian Mares, **Esplendido MA** : 2008 Grand National Champion Colt, **Amici BB**: 2008 Grand National Champion Junior Stallion and **Belleza Del Dia** 2008 National Champion Futurity Filly

Escamillo has proven himself time after time, producing not only these National Champions, but others who have done him proud in show arenas around the country. The foals that he is producing are becoming sought after by both breeders, as a basis for their programs, as well as owners who just enjoy showing their horses. Even in today's market the demand for and value of his foals have remained constant.
