## ADDITIONAL INFORMATION:

### **PUREBRED DIVISION**

Falcon-CEN, a charismatic 9 year-old black stallion, is fast taking his place amongst the finest young breeding stallions to be had in the United States. His sire is the pure Cardenas stallion, Delegado MAC who, in turn, is sired by the famous Quilate II. Falcon's dam, Tarabilla, traces back to the legendary Military stallion, Jenson.

Falcon has started to make his mark under saddle, already having won an English Country Pleasure Championship at Fiesta of the Spanish Horse.

Falcon has sired many beautiful foals, passing on size, his fabulous neck, and his topline. His most famous foal to date is Aurora BV, a stunning filly who in 2009 won the 2 & Under Filly class at Fiesta of the Spanish Horse and was named Reserve Grand National Champion Filly at the IALHA National Championship Show.

If you want size, color, and great conformation in your foals, consider Falcon-CEN as your next sire.
