### ADDITIONAL INFORMATION:

#### PUREBRED DIVISION

2009 USEF (United States Equestrian Federation) Champion in the Farnam/Platform-USEF Horse of the Year Andalusian /Lusitano Halter Horse and Reserve National Champion 2nd Level dressage.

Bred by Senor Miguel Cardenas of Ecija, Spain. The Cardenas name is renown throughout the world as one of the top breeders for movement, size and disposition. Heroe continues that tradition with strong, powerful dressage gaits and a kind, willing disposition which he passes on to his offspring. His bloodlines mixed the wonderful freedom of Leviton's movement, the strength of the military bloodlines, and the old Bocado lineage that created kindness.

Heroe passes on his movement, temperment and wonderful conformation. Many of his get are now making their mark in the show ring and the breeding shed. Heroe has produced chocolate and mahogany bays, all shades of grey and unusual combinations of chestnut that include chestnuts with platinum manes. However, ability to throw color was not the priority in the selection of this stallion because, quite frankly, when a horse is this good, color seems irrelevant!
