ADDITIONAL INFORMATION:

PUREBRED DIVISION

With a show record that spans four years and FIVE National Championships ranging from Halter to Western Pleasure to Show Hack, Santeño has proven himself to be a versatile, correct stallion in front of both American AND Spanish judges.

Santeño's royal bloodlines include Vasallo II and Leviton from the prestigious breeding programs of Miguel Angel Cardenas and the Denham Ranch. His first foals have had the size, substance and movement that we hoped for, and have come in a variety of colors.
